

## Weather! Surprise In The Sky!

This seminar will be covering ADM and how to make a competent go/no-go decision. We will also be covering information about weather briefing tools, and how to plan for a flight. Can you handle unexpected weather events? Do you truly know your limits? Lets find out!

**Directions:** The terminal building is 200 feet northeast of the Denton control tower.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
